Relinquere c  
cum uariis

Qui celestis uite dulcedinem in quantum possibilitas admiserit, perfecte cognouerit ea que in terris amauerat, libenter cuncta derelinquit. In comparatione eius uilescunt omnia, deserit habita, congregata dispergit, inardescit in celestibus animus, nichil in terrenis libet, deforme conspicitur quicquid de terrene rei placebat specie quia sola preciose margarite claritas fulget in mente.

Augustinus in omelia.
